. The hosts of the school
in a
district Efkarpiya have tried to establish a good working environment. Along with the kind
welcome
the hosts
showed us the sights of the unique cultural and historical Thessaloniki - the city's ancient
Byzantine churches, coast cafes
,
palm trees and oranges, and
of course the city

of Cyril and Methodius.

Students - participants in the project "Beyond Words" from Thessaloniki were
prepared handmade gifts for all guests and they were our good
helpers during our stay in their school

. Our group presented to
all

8 partners from different European countries

our
work on the project, including search and collection of works of

art that can link with
European
values. Moreover, participants saw a presentation on "Interesting facts about Bulgaria, prepared
by the school
project
team

.
Very pleasant
emotions and laughter
were
cause
of a
short movie with
a
little comment for Greece, which previously were
made
in 2a
class
and 4a
class

Also
we have
visited the tomb of Philip of Macedonia
and a
museum.

The next meeting of the project "Beyond Words" will be hold in the Romanian Black Sea - in
the
city of Constanta, from 13
th
to 18
th of
April.
It will involve students who are working on the projects.
