

The school summer holiday has passed and the school yard was filled with excited first graders, curious students from the 5 grade and many, many smiling children, and that teachers and classrooms are well known. Students from the last grade /12 class/ sent last holiday and made the stock for the coming school year. The headmistress, Mrs. Georgieva inaugurated the new 2009/2010 school year and wished teachers, students and parents patience and the best of luck. In his address to students and teachers Mr. Veselin Lichev -Mayor of Sopot wished many creative successes.

Before the first bell school students sent the summer holiday with "Marine fiesta" and promised to be excellent students throughout the new school year, to read, write and learn science with the help of their teachers.
