

The students of “Ivan Vazov” Secondary School presented wreaths to the monuments of the patron of the school -Ivan Vazov. Then the students took part in the competition called, "Do I know Bulgaria?". The four students' teams provoked interest of all students to the cultural heritage of our country with knowledge of the natural, architectural and historical landmarks. In the first round the participants presented in an attractive way: a house museum "Ivan Vazov", the Rada's school, a monastery of St. Spas and the area "Anevsko Kale". In the second round teams "traveled" around Bulgaria by thoughts. In the third round - the students showed us flexibility, observation, dexterity, and of course knowledge. Knowledge was assessed by a competent and impartial jury.
