

Sport class at „Ivan Vazov"Secondary school, Sopot had three unforgettable days in a hut „Dobri
" in “
Stara
Planina”
mountain with
nontraditional
classes
in Bulgarian language and
literature,
physical
culture and
sports and
lectures on
"
First Aid".
The class
was
divided into
2 teams
and there was
organized a competition
on "
Guidance."
It turned out that
the theory

is
easy, but
in
the forest
there
are
unexpected
surprises
and knowledge
are important
to reach the final
aims.
The students
walked
to the
hut "
Ambaritsa" and that was too easy
.

It is a pleasure to climb and made a bird's eye view from the top of the mountain.
Weather gave a lesson for survival in the mountains in June - rain, hail, snow drifts, wind, but
...hot
sun.

All are waiting for the white school /a ski school/ during the next school year.
