

The special classes in "Volleyball" start a wonderful initiative: "Friends through sport" in 2012/2013 school year. sc

The start was in November 2012. The teams are formed from girls from VII grade with their trainers Bogdan Valkov from "Ivan Vazov" Secondary School, Sopot and Stoyan Tsanev from "St. Cyril and Methodius" Elementary School, Karlovo. The first volleyball match was played in Karlovo. At the second meeting

on 13 December 2012,
hosts
were
students from our school

.
The next match
will be in
March 2013

.
It is not important who will win. It is important to show sport skills and to share experiences. Competitors and spectators entertained.

The most important thing is that the students create true friendship through sport.
