

The National students' conference and competition named "75 years since the end of World War II and 75 years since the Treaty of Craiova" was held in Dobrich on 16th September. The competition was organized by the Regional Inspectorate of Education, Humanitarian High School "St. Cyril and Methodius"- Dobrich and High School of Management and was in partnership with the Regional History Museum – Dobrich and Municipality of Dobrich. Seventy –three students and thirty –three teachers from twenty-eight school in the country took part in the competition with reports, essays, drawings and presentations.

Lachezar Petkov, an eighth grader, and his history teacher Doncho Tashkov presented "Ivan Vazov" - Sopot in the presentations rounds. The jury, chaired by prof. Dr. Antonina Kuzmanova awarded them III place for their presentation "Craiova - positives and negatives"

Congratulations on the other successful project of this historical tandem. We wish them new creative achievements in the 2015/2016 year.
