

On November 21st, the church celebrates the Feast of the Virgin, the Day of the Christian Family and Youth.

Traditionally, this holiday is celebrated by the youngest students of "Ivan Vazov" Secondary school. In the school library, the students of Mrs. Tsvetelina Todorova, the head of Religions – Orthodoxy classes, arranged a festive table in front of the Virgin Mary icon, presented a presentation, told about the Christian traditions and folk customs for this celebration of the fourth grade and the guests. They read the poems for the family, puzzled, and finished with the Vasov's prayer. Third Graders took part in the liturgy of the Church of Our Lady. Group and individual drawings on "Me and my family" will present the school at the exhibition in the Town Hall "Ivan Vazov-1871" - Sopot.
